Dam: NRC(A) Ch Ubersein Running On Faith ET.
Exhibitor: S Finch
Bred By: Exh

Harmonious head and body construction, while trotting the bitch shows a lot of drive, attentive and friendly behaviour, excellent skull and muzzle, the cheekbones should be just a little more pronounced, the eyes are dark, pigmentation of the mouth is a little light, nice body silhouette, pretty forechest, front paws turn a little to the outside, functional angulations, a little too much black in the tan markings, correct coat.
