INTERNATIONAL DOG OBEDIENCE TRAINING SCHOOL  
Is committed to promoting responsible dog ownership.

The school has been operating on the Gold Coast for 18 years and is continuing to grow in popularity.

Inclusive from February to November, weekly classes are held Saturday mornings at Benowa State Primary School, Benowa Road, Benowa.

We pride ourselves on the level of expertise of our instructors. Our team of instructors bring with them a wealth of knowledge to assist you in training your dog. All have successfully trialled dogs at competition level and are members of the Canine Control Council and Association of Pet Dog Trainers (A.P.D.T.)

Classes are conducted using gentle, positive training techniques. The individual needs of our canine students are optimum with our instructors who use a variety of motivational training methods to ensure that your dog can reach its full potential.

Monthly graduations are held to check progress of both dogs and their handlers.

Our courses are adapted to meet the needs and requirements of our handlers and the dogs they train. Our classes focus on establishing rapport between you and your dog.

Once you complete the BASIC OBEDIENCE COURSE we offer a number of options you and your canine companion can explore to extend and enhance your training and teamwork.

We aim to make your training classes with us a fun and enjoyable experience for both you and your dog.
