

Labrador Retriever Club Of N.S.W

Sunday 11th May 2014.

Judge Mrs Ronwein Phillips (Sheenaron)

I would like firstly to thank the Club for their very kind invite to judge their show my stay in Australia was something I will always remember with great pleasure meeting you all was such a joy and to the Gents for their time and kindest many many thanks. I had the honour of judging some very good quality dogs shown in very good condition was really impressed with the coats how do you get this double coat in this area. One point that is seen in Labradors is the straight fronts very hard to breed correctly needs watching does affect movement so very much. Wish you all the best with your Labradors such a lovely bred to be part of.
