

The Labrador Retriever Club of NSW Inc Championship Show
2013 – judge Ms J Fleming (ex USA)

I would like to thank The LRCNSW for inviting me to judge, it truly was an honour. I would like to say that I was very happy with the over all quality of dogs that were shown to me especially in regards to correct coat and reach of neck, both of which I think we are sadly loosing in the breed. I think overall the quality was in the girls at this show and there were several I would have with me if given the chance. Thanks to the exhibitors who were lovely, and gave me some truly excellent laughs. Oh and those beautiful ribbons and prizes galore, astounding.....
