3RD RESTRICTED TO HEIGHT (200MM & 300MM) AGILITY, JUMPING & GAMES TRIAL 14TH FEB 09

Our 3rd Restricted to Height (200 & 300) Agility, Jumping & Games Trial was held on Saturday, 14th Feb 2009 at the State Dog Centre (formally know as KCC Park). A number of changes took place this year to maintain entry numbers as our trial was a stand alone event this year with no evening trial being held as has been the case in previous years. The major changes being the introduction of some Games classes and the 10% time allowance. This was an unknown and fingers, feet you name it were crossed hoping that the added expense would be over-ridden by adequate entries. Our fears proved to be unfounded with a huge increase in overall entries from a best of ninety-nine in 2008 to one hundred and fifty-seven.

Thank you to all those people who made themselves available to assist in the organisation, set up and running of the event. Through your efforts the positive publicity this event generates for the Club is priceless.

Thirty-three qualifying runs were achieved on the day, a much higher rate than usual, on the challenging courses set by our Judges; Sue Gonelli and Roger Padfield.
