

Presidents report 2016

Firstly a warm welcome to you all,

I would like to thank the hard working committee and their diligent effects during the year,

A special thank you to Di Leverington on the design of our National logo, and to Liz Ayres & Glenda Hesketh for their help with the sausage sizzles and the agility trials held in June all help is very much appreciated.

Our Championship/Open Show this year was another successful day going on all the feedback received. A good entry for both shows.

Adult handlers were another success; with good humor, unusually shaped dogs and money exchange, a good time had by all.

The Club is slowly receiving generous support from sponsors for our National, if you have more ideas for sponsors let the committee know.

There is a lot more fundraising and sausage sizzles before we reach our goal, and we are asking all members to help make our 2018 National a success.

A reminder to all members we have one more sausage sizzle for this year, if you could give an hour of your time, this would be much appreciated, please let Deb know the times you can help.

Christine Luxford

President
