*Brought to you on behalf of The Whippet
Club of NSW Inc*

Edition 1 of 2017

From the desk of the president.....

Here we are into June already, and our Whippets are snuggling up in their pjs and coats in the warmest places they can find. How the year has flown!!

March saw the Victorian club holding the 5th Whippet National and what a huge success it turned out to be. Although I wasn't able to attend (my turn on puppy watch) I'm told the venue was spectacular, the hospitality warm and the beer cold. Congratulations to all the winners and now we're looking forward again to Adelaide in 2019.

April of course saw us hold our annual Championship shows over the Easter weekend. With perfect weather we held two very successful shows on Good Friday and Easter Sunday. It was also very gratifying to see so much support for a very long time breeder in Jo Kramer from Western Australia who adjudicated at her first speciality show. The delightful Ingela Kyrklund from Sweden officiated on the Sunday and a comparison of the winners over the two days just goes to show the great depth of quality that we have in the breed in Australia. I must say, though, that the MC on the day could do with more practice! LOL

So as the year draws to an end and the Annual General Meeting once again looms, we see our members again participating in the showcase of purebred dogs to the public at the Dogs NSW Dogs on Show on Saturday 17th June, and then at the Dog Lovers Show in early August. These two events are a vital part of our work because it is through events such as these that we can demonstrate just how perfect our Whippets are and how well suited they are to being a great family companion. Gone are the days when grandfather had one just to chase the rabbits at the back of the property. Whippets are proving themselves to be versatile and adept, intelligent, affectionate, and great sports dogs (but we all knew that already!) and it is a great opportunity for us to tell everyone who comes within earshot. If anyone would like to volunteer for one of these events, even if just for an hour or two, please let our Secretary Margot know.

As always I remain yours in Whippets,

Toni McNeill

Good Friday 2017 critique

The Whippet Club of NSW 14th April 2017 **Jo Kramer – Arjai Whippets Western Australia**

Firstly I would like to thank the entire Committee of the Whippet Club of NSW for allowing me the opportunity to judge the NSW Specialty. This was certainly an honor and I was very pleased with the number of whippets entered and the sportsmanship shown by all exhibitors.

Overall I was pleased with all my winners and the quality of dogs shown on the day, but there were a few things I felt worthy of mentioning, this is entirely my own opinion and preference - but it would not be honest of me if I didn't mention my thoughts!!

I felt a lot of the exhibits shown under me had extremely large incorrect ears....not the beautiful fine textured **rose shape** that our standard states.

Also the overall shape of the whippet has changed dramatically, I was looking for that beautiful arch over the loin great depth of chest and lovely clean tuck up all important hallmarks of our breed. There were far too many exhibits that were both flat when stacked and on the move lacking true whippet outline.

I was very pleased with the temperament of most exhibits and the beautiful condition in which they were presented.

Truly a memorable day for me judging my first whippet Specialty!
