General Critique

I had a marvellous time judging some beautiful Griffons at your Club Specialty. I was really eager to see some dogs and lines that I had never seen in person. I was not disappointed at all.

Overall it was a lovely entry; many with excellent breed type. Heads in general were quite nice. General issues were lack of properly domed fore face/strong stops. Overall expression was good in most entries. I am one for very strong substance and bone in Griffons (as I am sure you noticed from the winners) and I thought there was room for improvement here in some. That said, I was impressed with the overall top lines, tail sets and outlines. Do keep an eye on the length of your Griffons though as they must be square to have proper breed type. The great majority of the dogs had excellent temperaments. Movement in general was more than adequate which is impressive for a toy breed.

I was more than happy with the quality of the dogs. Congratulations to the committee and club members for putting on such a top flight specialty. I was truly honoured to be part of your 40th anniversary show. Thank you for inviting me and showing me such great hospitality. Keep up the good work; you are doing a great job.

Class 2 Minor Puppy Dog

1st -Norman & Mills' TZANI XOX R/S wh. 27-Dec-2014 br. Exh s. Ch Donzeata Royal Star (Imp UK) d. Ch Tzani Isadora Duncan

Smooth red dog with a very nice top line, beautiful tail set. Very good rear moving away. Lovely happy temperament. Very nice substantial body for his age. Very nice large round eye, with good skull and nice under jaw. Good expression, where smaller ears would have made it even better.

2nd - I Mitchell's GRIFFONSBURG JEFFERSON DAVIS R/R wh. 16-Mar-2015 br. Exh s. Ch Tzani Neddie Seagoon d.Ch Tzani Jackie Winter

Rough red dog with a beautiful eye and nice expression. He had a good top-line, but with a bit squarely tail. He had a good coat with good color and a rather nice moving young dog.

Class 3 Puppy Dog

1st Alwood Knls' ALWOOD MR HINCH R/S wh. 15-Dec-2014 br. Exh s. Ch Alwood Mr Hasting d. Ch Alwood Suspicios (1st puppy in photo above)

Red smooth that was a very pleasing size. He had a very good proportion with good substance for his age. He had a very good tail set and carriage. Wonderful fore-chest and front structure. Pleasing head with nice round eye, good domed stop, and nice ear set, although the ears could have been a bit smaller. He had good rear movement.

2nd G Wilde's GRIFFONSBURG FIELDS OF SHILO R/R wh. 16-Mar-2015 br. I Mitchell s. Ch Tzani Neddie Seagoon d.Ch Tzani Jacki Winter (4th puppy in photo above)

Red rough having a nice level top line that he held nicely while on the move. This puppy had good depth of body and nicely developing fore-chest. He had a nice large nose and round eye, with decent under jaw. His coat was bit thin and hopefully will improve with continued work.

3rd R Hayson's STATUESQUE GRIFFITI ARTIST R/R wh. 16-Jan-2015 br. F & L Pieterse s. Ch Statuesque William Wombat d. Ch Statuesque Tabitha Tattle Tale (3rd puppy in photo above)

Class 4 Junior Dog

Best Junior in Show

1st A & R Morse's CH ARMORGRIF ASMODEUS R/R wh. 24-Aug-2014 br. Exh s. Ch Armorgrif Beelzebub d. Ch Armorgrif Kyla Aine

This young red rough dog had very good substance, bone, coat and color. He had a very nice top line and tail set. He was bit upright in shoulder and a bit short in neck for me. Very pleasing expression with lovely ear set, but a bit more under jaw would have really made it even better. His proportion height to length was acceptable, but could have used a tad bit more leg.

2nd Canavan & Waghorn's AZANDE FANTASTIC MR FOX R/R wh. 19-Apr-2014 br. Exh s. Ch Donzeata Royal Star (Imp UK) d. Azande Jingle Bell Rock

Red rough dog with a very good substantial body with proper top line and tail set. He had very good color, but coat was a bit on the softer side. He had a lovely large head with nice sized ears, but could have been improved with a more domed stop.

Class 5 Intermediate Dog

RUNNER UP TO BEST IN SHOW, DOG CHALLENGE and Best Intermediate in Show

1st Canavan & Grass' BEAUVIEW BRANCH OFFICE (IMP UK) B/T/S wh. 19-Sep-2013 br. H Ogden s. Beauview I Can Hear Thunder (UK) d. Beauview Fake Tan (UK)

Black & Tan smooth dog with excellent substance and bone. He was bit larger than my preference, but his overall quality more than made up for it. He had a very good large head with excellent lay back and upsweep of jaw although ideally it could have been a bit broader. Very good domed stop and broad skull. He had a very good top line. I would have put his tail just a bit higher on his back to put some more butt behind. He had very good clear color and markings. He had great proportion and so much breed type.

2nd R & K Bell's CH TZANI TIGGER BRAT BUNNY R/R wh. 26-Apr-2013 br. Norman & Mills s. Ch Troubadour Zurgs Heir d. Ch Tzani Lola Bunny

Red rough dog that also had wonderful substance and bone. He had a great outline with very good top line, tail set and depth of body. He could have used a better return of upper arm. Very good large head with large nose, which could have been improved with more under jaw and up sweep.

3rd J Mounsey's ALWOOD REFLECTION R/R wh. 15-Sep-2013 br. Alwood Knls s. Gr Ch Alwood Counterfeit d. Nouveau Dominuet (Imp NZ)

Red rough dog with very good substance and bone, with good deep body. His top line and tail set were very good. His coat was ok, but the head coat needed more work and much less beard. His head probably would benefit from pulling it down much more and pulling the beard down to at least 1/2. He had a nice ear set and eye. Needed a bit more leg and was real happy on the day.

Class 8 Limit Dog

1st K. Grass' AZANDE LE BEAU R/R wh. 15-Dec-2010 br. Canavan & Waghorn s. Ch Azande The Real McCoy d. Azande To The Manor Born

Pieterse s. Ch Raweke Red Pepper d. Ch Statuesque Pumpkin Pie

Red rough bitch with good substance and depth of body for her age. She had a good top line and tail set. Pretty head with good nose lay back and good domed stop helping to give her a very nice expression. Her coat was a bit soft but should come along as she ages.

Red smooth bitch with very good substance and bone for her age. Her coat was quite nice and with good color. She had a good top line and tail set, but was a bit long in the loin and off-square. Red rough bitch with good substance, body depth, and tail set. Correctly coated. She had a good large head with large nose and nice round eye. A bit more dome to her stop would have really finished off the head nicely. She had a bit of an arch over her loin.

3rd Alwood Knls' ALWOOD COSMOPOLITON B/R wh. 21-Nov-2014 br. Exh s. Alwood Destampede d. Ch Alwood Suduction

Black rough bitch with very nice substance for her smaller, although correct, size and age. she had a good tail set. Her angulation was nicely balanced between front and rear. She had a good outline created by her good neck and shoulder transition and deep body. A bit more leg would square up her proportion. Her coat was a bit silky/soft and will improve if continually worked. Her expression was quite pleasing.

Red rough bitch with very good substance and adequate bone, but a bit more to match her substance would have been great. She had a very good top line. Her front assembly was somewhat rotated forward. She was very feminine. She had a beautiful large round eye with small well set and carried ears giving her a super expression. Her coat was a little thin. Hopefully with age and experience her confidence will get better.

Red rough bitch with nice proportions and pretty expression. She had a good wide under jaw well swept up. Her color was good, but she needed to have more harsh coat. She was bit finer in body than I like and needed to be more robust. On the go-round she showed a lovely top line/tail set.
