

Thankyou for your enquiry with Kanberchic Rottweilers.

Rottweilers are wonderful companions, fantastic family dogs and have great temperaments, but their characteristics can be different depending on their parent's lines. Some can be more active, big, small, demanding or quiet. By understanding your situation and needs we can make a more educated placement for each of our puppies to make sure that a Rottweiler suited to your lifestyle and that we place the right puppy with you.

The following questions are aimed to find out more about you and your home and also expectations for your puppy. Your answers will help us to ensure we have the right puppy for you and that our puppies go into wonderful, loving forever homes.
