### *President's Message*

Welcome to our Kings Weekend Shows and memorial show honouring Denece Hutcheson and George Bartolo. Our judges have a good selection of quality dogs to adjudicate on, thank you all for your support and good luck to both show and obedience competitors. A huge thank you to our Show Secretary Carol for the organization. Have a good day and travel home safely.

*Meet Your Judge - Mrs Elaine (Lainie) Knox  
Ashlaren Weimaraners - Sydney Australia*

I have bred and exhibited top winning Weimaraners for almost 40 years. The first group that I was licensed to judge was the Gundog Group and that was in 1992.

In 2010, I gained my All Breeds Judging License.

Our Weimaraners, under the Ashlaren prefix, have gained international recognition as our dogs have been exported to several countries where they have excelled in the show ring winning multiple Best in Show awards. One of our international champions (**Multi Int Ch /Aust Ch Ashlaren Caipiroska – ‘Oska’**) is well known in Europe, being a multi Best in Show winner there and having sired many top winning Weimaraners throughout Europe, including World Winners and winners of Best in Show All Breeds and Specialty shows.

Our Weimaraners have proven their ability not only in the show ring but also in other disciplines as well.

Ashlaren Weimaraners have dominated at the Australian Weimaraner Nationals as we have won Best in Show at the 2014 Weimaraner National held in Sydney, then again at next National in 2017 which was held in Melbourne where we again won BIS with a different Weimaraner.

Our latest success was at the most recent Weimaraner National in South Australia in 2023, as our breeding won Best of Breed shorthair Weimaraner and RUBIS to a lovely longhair Weimaraner.

We have bred many Supreme Champions, Grand Champions, Champions, Best in Show National winners, and Specialty Best in Show winners as well as Field Trial and Obedience Champions. Currently we have several Weimaraners being shown around Australia and overseas that are doing exceptionally well in the show rings.

I have also had breed involvement with Labradors (our first dog after we were married was a Labrador), English Pointers, Cavalier King Charles Spaniels, German Pinschers, Borzoi, Whippets and Lowchens.

My involvement with training new Judges began in 2012 when I was appointed to the Dogs NSW Judges' Training Committee, responsible for training programs and the mentoring and assessment of Trainee judges.

I have also had experience on various other committees of Dogs NSW and have held executive positions in the Weimaraner Club of NSW.

My judging appointments have taken me to several countries including China, Thailand, South Africa, Canada, Sri Lanka, New Zealand, and Japan as well as to all states in Australia.

Thank you to the committee of the Labrador Retriever Club of NSW for inviting me to judge at the 2024 Labrador Specialty Show.

Best wishes to all the exhibitors.

Lainie

*Meet Your Judge - Mrs Kim Tresidder  
Kelanmee Shetland Sheepdogs*

Many thanks for the wonderful opportunity to judge your Labrador Retrievers today! I was surprised and humbled to have received the invitation.

Shetland Sheepdogs captured my heart 28 years ago. The first, a pet called Max was purchased without registration papers (which came later). Max led us down a path of Obedience and Conformation. As a family we were hooked with conformation when Max was awarded Best in Show some 18 months later and the rest is history. Multiple Best in Show winners under our 'Kelanmee' prefix were awarded and I'm proud to say the first litter brother and sister Supreme Shelties in Australia were born.

Roll on to 2014, and a license to judge Group 5, Working Dogs. With the encouragement of Russell Britten, Gundogs, Hounds and Toys followed. Some have asked which do I enjoy the most, exhibiting or judging..... hmmm I think it is hard to answer as I enjoy both, though it is exciting when my Group winners go on to be awarded Best in Show.

My first experience with a Labrador Retriever was a dog called Prince (many moons ago). He was owned by my sister and her husband in Oberon, NSW. Prince was quite the strapping lad, and a popular man with the ladies in the town. He would often disappear for a period of time and then return quite exhausted and sleep for days. We thought he'd been off hunting however a few months later, a phone call by the owner of a bitch advising she had whelped several puppies, the truth became clear as to where the boy had been! 'Form and function' with a different meaning than today. Prince was a lovely dog with a super temperament, a big boy, quite different to the Labradors of the modern era.

I trust that you will all enjoy the day as much as I will, and of course, we all take the best dog's home.

Good luck! Kim Tresidder

## *Meet Your Judge - Elaine Temby*

I share my home with 3 gorgeous cocker spaniels all of whom have competed in Obedience, Rally Obedience, Conformation, Endurance. Some have been introduced to the joys of Agility, Gundog retrieving work, Tracking, Tricks and more recently, Scent Work. I have been trialling cocker spaniels since 1997 and trained a number to UD. All have gained their Endurance Test title, one her AD and JD, three their Australian Championship and three their Neuter Championship. My current 'team' have gained a Rally Championship, Rally Advanced Excellent, Rally Master, Trick Dog Starters and Scent Work Advanced title. Sadly, COVID got in the way of their obedience activities and two are now semi-retired, but, never say never aye, you cannot just train one dog while the others watch on right? They all remain a 'Work in Progress'!

I live in Canberra and work for the ACT Government, surprise, surprise!! So much has changed over the past few years which has created interesting challenges to the way we do business. I have embraced change along with the challenges, learnt lots and I am loving it. I recently retired from my voluntary role as Treasurer of Dogs ACT, an executive position, which I held for 5 years. There is simply not enough time in the day to do everything and it is great governance to step aside after a period of continuous tenure! I have been a member of the ANKC (now Dogs Australia) National Obedience, Tracking and Endurance Committee for 6 years and am a lifetime member of the Belconnen Dog Obedience Club where I served many a long year on the Executive of that Committee and supporting club activities.

Many, many years ago, well it seems like an eternity, I undertook the Obedience Stewards Course and began stewarding at Trials. Stewarding provides the opportunity to learn so much about the various wonderful breed characteristics as you observe them working from within the ring. In 2006, in an effort to 'give back to the sport' I applied to participate in the Obedience Judges Training Scheme. In reality, I think my arm was twisted so hard I couldn't say no! I attained my Community Companion Dog and Novice Judges licence in 2006 and each year thereafter I upgraded. I completed the long haul and became a full panel judge in 2009. In late 2011 I completed the requirement to gain my Rally Obedience Judges licence in preparation for the introduction of Rally Obedience, (now known as Rally), as a recognised ANKC dog Sport. I am also a licenced Endurance Judge.

Yes, all that and working full time! ... now with judging, volunteering and actively participating in multiple dog sports with multiple dogs, ... I am certainly kept very busy. On occasion, my body certainly reminds me to slow down!

Since attaining my licences I have enjoyed travelling widely throughout the eastern part of Australia fulfilling judging appointments in the Northern Territory, Queensland, New South Wales and Victoria. Whilst competing and judging I have met some wonderful friends and competitors and enjoyed the privilege of competing with and judging an amazing variety of brilliant teams. It is equally fulfilling to see the love and commitment demonstrated by handlers to their beloved 'mates'. At the end of the day, win or lose, just remember, we all take home the winning dog! So excited to be officiating at your event and looking forward to meeting you all.
