Well the dust has settled on the National, for those of you who do not Facebook I will repeat my posting.

I am sure we will all have lasting memories of the 10th Labrador National, acknowledgement and recognition of all who contributed to the resounding success was made at the National Dinner held at the magnificent Twin Creeks Restaurant.

I would like to reprise those acknowledgements for those people who were unable to attend the dinner and all the other people who have been following our progress on Facebook. Firstly, thanks to my Committee who spent many hours planning down to the last detail and in particular three ladies who ensured that those plans came to fruition:

- ❖ Doreen O'Donnell who devised the National artwork, produced the wonderful full colour Catalogue, sourced the merchandise and contents of the gift bags.
- ❖ Show Secretary Sue McFadden who organised the judges, stewards, card writers, sponsors, trophies, schedules and entries plus show day logistics.
- ❖ National Show Co-ordinator Colleen Ritchard who facilitated the wide publicity campaign which reached at least 10,000 people, created the essential National Handbook, organised the photography, canopies, ring layout and the National Show Dinner.

Other Committee contributors were George Bartolo who organised the Obedience and Jeff Griffiths the RATG and our Treasurer Erin Charnock for managing the multitude of financial transaction associated with the supply of services to the show.

The Golden Retriever Club who catered for the welcome breakfast and official lunches, great food ladies.

All members welcome! Tuesday August 27, 2017 at 7:30 pm

Bill Spilstead Complex for Canine Affairs, 44 Luddenham Road,
Orchard Hills in the Administration Building.

One of the **BEST** Nationals Ever!!

The 10th Labrador Retriever National Sydney NSW 2018 was nothing short of fantastic from start to finish.

It began with the hot buffet breakfast supplied by the ladies from the Golden Retriever Club of NSW, followed by our championship show judge Mr Arwyn Ellis arriving in style in the beautiful Daimler flying the Welsh flag and the heartfelt opening speech from our esteemed life member Mrs Pat Dunstan.

I would like to acknowledge the Labrador fraternity who travelled from all over the country, New Zealand, Pakistan, Indonesia and South Africa to compete and watch. Your commitment to your breed and good sportsmanship was there for all to see and is to be congratulated.

I would also like to acknowledge the work done behind the scenes not just by the current committee but previous committees', all of which made the 10th Labrador Retriever National Sydney NSW 2018 such an outstanding success.

Also, a huge thank you to the people outside of the club for all their efforts. Judges, stewards, representatives, Ring Announcer, Master of Ceremonies, general helpers and groundsman Steve Hadfield and his team, Alan Hunt and Carolyn Burch, our many Sponsors and the Golden Retriever Club NSW. You were all fantastic and nothing was too much trouble. We could not have done this without you.

JUDGES APPOINTMENT

10 questions *with...* **Arwyn Ellis**

What was your first pedigree Dog/Labrador and where did it come from?

From a very commercial kennel!!

Why do you like labradors?

I love everything about them... temperament and versatility.

What is your prefix and how long have you been breeding?

Dolwen and have been breeding for 35 years.

Is there a meaning behind your prefix?

Name of a local woodland where I used to take our first dog.

What is the best dog or bitch you bred and why?

Probably our first Champion Dolwen Francis Henry. He was a great showman and lovely to live with.

To date, what is your greatest high light involving Labradors?

Judging Crufts in 2014 and Australian National this year.

What are your hobbies outside of Labradors?

I enjoy all sport but especially soccer.

What's your favourite movie, song, sport or sports team and why?

Movie: Shawshank Redemption.

Song: Johny B Good.

Sport: Aston Villa football club as I used to teach near their ground in Birmingham.

Dolwen Coleman

What would you like to see Labrador breeders improve on the breed going forward and why?

Try sticking to type and not use latest winners.

And finally, what do you think the Labrador Retriever Club of NSW can do to improve?

The harbour was stunning!

Lovely to meet you all.

I enjoyed every second of it!

What great honour
for myself to be invited to
judge your National.

I found the quality to be
excellent and my winners
could compete in any country.

The committee are to
be congratulated on all
aspects of making the
weekend so special.

I must mention your secretary
Sue McFadden on her
exceptional organization.

My stewards were second to
none and made both days run
so smoothly. The exhibitors are
to be congratulated for their
great sportsmanship.

It was so lovely to see so
many exhibitors staying for the
meal and presentation, something
to be very proud of.

It certainly was an experience
I shall always treasure and well
worth the long journey.

I wish you all well for the future.

Obedience Trial

I was very honoured to be invited to judge the 10th Labrador National Obedience Trial. The entry was excellent as was the quality of work. I was impressed the dogs were able to compete in the Retrieving Trial and then came over and excel in Obedience. All exhibitors handled their dogs very well and the dogs had good steady temperaments.

The club is to be congratulated on a well run trial, my Stewards were excellent. I was very impressed with my winner of winners who was a joy to watch. Congrats to all qualifiers and to all exhibitors for their good sportsmanship.

We had a great entry of 18 Labrador Retrievers for the RATG held at the 10th Labrador Retriever National in Sydney. RATG are often open to all registered gundogs, but as this was a National it was main or limited registered Labradors only. We had handlers and dogs from NSW and interstate.

There was 11 entries in Open with 7 finishers. 7 entries in Novice with 1 finisher.

Our judge was Pam Lyons (NSW). Pam has judged a huge number of RATG over many years, but this was to be her last judging appointment before retirement, so it was fitting that it was at a National event.

The National was held at the Dogs NSW grounds at Orchard Hills NSW. The RATG area that was used had some undulating terrain with light cover. The obedience exercises were held just inside the fence that the gallery had to stay behind, but they also had a good view of the retrieving exercises. Pam put on a double rise for the double retrieve in Open.

Some of the Novice dogs had trouble with the retrieves which is the reason there was one finisher in Novice. The Open standard was very high with dogs scoring closely.

The winner of Open was Mr D & Mrs V Furnell's Huntogun Tazzie Devil RN NRA. This dog was also the Winner of Winners, gaining the Beale Stitt Trophy.

Thanks also to our stewards who helped make the day a success: Brad Leggett, Carol Griffiths, & Jeff Griffiths.
