LABRADOR RETRIEVER CLUB OF QLD
CHAMPIONSHIP SHOW
SUNDAY 11TH JULY 2010

JUDGE – MRS JULIA SOLTOGGIO (SANGATE LABRADORS – WA)

JUDGES CRITIQUE

Thank you for the lovely opportunity to judge our beautiful breed in sunny Queensland. I was very pleased to receive a total entry of 88 with many exhibitors travelling very long distances. I found some lovely Labs that I would love to own myself and very good depth of quality in many classes, which meant unfortunately that some dogs were not placed.

Areas of concern, which I have found when judging elsewhere are upright shoulders and short upperarms. Also there were quite a few who could have darker eyes. Considering the weather there were some dogs with excellent coats and tails, which was very pleasing to see.

A special thank you to Sue & Peter Barlow for their lovely hospitality during my stay with them. Thank you also, to Carolyn Pearen (Show Manager & Steward) and Sandra Luchterhand (Secretary) for the smooth running of the show and hospitality throughout the day.

Good luck to you all in the future.

BABY PUPPY DOG (5 exh)

1st Cladaghing Stronger Thn Magic – 4.5mth old yellow male of excellent type, who showed like an experienced campaigner. Very good head and expression. Muzzle could do with a little more fill. Excellent neck into excellent forequarters. Excellent topline and tailset. Good strong bone, and excellent ribcage. Short coupled. Excellent hindquarter angulations, with broad thighs and short hocks. All of this combined to show correct movement throughout. Very good coat for his age. An easy winner in this class, and a puppy with a very bright future.
BABY IN SHOW.

2nd Bonnsway Primary Target – 5.5mth old yellow male of very good type, with excellent substance throughout. Strong head with lovely expression. Very good front, but lacks hind angulation. Excellent ribcage & short coupled. Slightly low set tail. Moved true coming and going. Very good reach, but lacked drive from behind. Excellent coat and tail.

3rd Cladaghing Power Ov Magic – 4.5mth old yellow male of very good type. Really lovely head and expression. Excellent neck into an well laid back shoulders and return of upper arm that is of correct length, but unfortunately stands and moves narrow in front due to lack of spring of rib. Excellent topline, tailset and hindquarter. Very good side gait, when I saw it as he was very naughty. Would like to see more weight on this puppy.

MINOR PUPPY DOG (1 exh)

Copperkee Northern Lights – 7.5mth Chocolate. Good head and expression, but ideally I would prefer a darker eye. Good neck into well laid back shoulders, but slightly short upper arm. Good height to length ratio. Still needs to spring in rib. Topline a little soft. Low set tail. Lacks 2nd thigh. Short hocks. Good side gait, but narrow coming and going. Very good coat.

PUPPY DOG (2 exh)

1st Lougui Moose Mason Atkopafield – 11mth yellow of very good type. Well boned. Strong head with lovely expression, but head still needs to mature. Nice dark eye. Very good height to length ratio. Moderate fore and hind angulations, but makes for a balanced dog. Very good width of thigh. Very good topline and tail set. Moved well throughout. Presented a little light on, but well muscled. **PUPPY IN SHOW**

2nd Louisaview Drivin U Home – 10mth yellow. Strong head, but a light eye spoils the expression. Very good neck into well laid back shoulders, but short in upper arm. Rises over the topline, low set tail and lacks hind angulation. Narrow through, causing him to cross his front on the move. Good going.

JUNIOR DOG (3 exh)

1st Ch Bonnsway Perfect Time – 16mth yellow of excellent type. Beautiful head and expression. Lovely dark eye. Excellent bone and substance throughout. Excellent neck into shoulders, that I would like to see a little better laid back. Slightly short upper arm. Excellent rib cage, short coupled. Excellent topline and tailset. Correct rear angulation. Broad thighs and well let down hocks. Smooth, ground covering gait with excellent drive. Tended to swing his front slightly coming, good going. Excellent coat and tail. Presented in tip top condition. A really classy dog that was very close to winning CC Dog. **Res CC & Junior In Show**

2nd Labraddell Wild Oats – 14mth darker yellow of good type. Well boned. Good broad skull, but would like to see broader muzzle, and round eye spoils expression. Very good neck. Upright front. Long cast and lacks spring of rib. Very good hind angulations, with nice short hocks. Good topline and tail set. Moved true going, but slightly narrow coming. Restricted side gait. Excellent coat and tail.

3rd Delwick Coopers Image – 13mth old yellow. Unfortunately very naughty today due to lack of experience, making it very difficult to assess him fully. Small dog that lacks overall substance. Very nice head and expression. Very good layback of shoulder, but short upper arm. Topline rises over the loin. Low Tail set. Straight in stifle. Moved well.

INTERMEDIATE DOG (7 exh)

1st Waglett Hot Rocket TD – 2 yr old black male of very good type. Really loved this dogs' head and expression. Very good neck into well laid back shoulders and correct return of upper arm. Ideally could do with more spring of rib and he is a tad long. Very good hind angulations. Moved effortlessly round the ring, but topline slightly soft on the move. Good going, slightly narrow coming. Excellent coat and tail.
Well deserving of **INTER IN SHOW.**

2nd Ch Boomroomgai Make An Impact – 2yr old. Strong yellow male. Beautiful head and expression. Good neck into shoulders, but lacks return of upper arm. Good topline and tail set. Very good hind quarter. Very good ground covering gait and true coming and going. Unfortunately not the coat of the 1st place dog.

3rd Greatlands Special Boy – 2yr old yellow. Good head and expression, that still needs to mature. Ear set a little low. Upright front. Very good topline and tail set. Slightly straight hind angulation. Restricted side gait, true coming and going. Presented out of coat.

AUST BRED DOG (7 exh)

1st Ch Southbank Double Take – 3yr old black. Strong very masculine dog. Strong head, that ideally could have a darker eye, but still a pleasant expression. Slightly long cast, but this does not affect his topline, and would like more spring of rib. Excellent tailset. Excellent neck into well laid back shoulders, but would like better return of upper arm. Very good hind angulation. Very good ground covering movement. Good going, but slightly narrow coming. Excellent coat and tail. An easy winner in this class.

2nd Ch Blackboy Brandy Schnapps CDX TD – 5yr old yellow of lovely type, who unfortunately was out of coat today, and could have more bone. Good head and expression, but slightly high ear set, which spoils the overall look to the head. Lovely dark eye. Excellent neck into well laid back shoulders, but lacks return of upperarm. Short backed. Very good topline and tailset. Lacks 2nd thigh, but good short hocks. Very good movement from all angles.

3rd Ch Shaundar Northern Raider – 3yr old yellow who was also out of coat. Good head that lacks fullness to muzzle, but a still a nice expression. Eye ideally could also be darker. Very good forequarter, but not the hind quarter to match. Lacks width of thigh and needs shorter hocks. Although slightly long cast still has a good topline and tail set. Restricted side gait, but true coming and going. Lacking substance.

OPEN DOG (6 exh)

1st Ch Driftway Black Douglas – 4.5yr old black male of excellent type. Slightly smaller than other dogs in class, but did not detract from the quality of this dog and still good substance. Beautiful head and expression. Excellent neck into excellent forequarters. Very good topline that slightly slopes to tail, but does not detract. Very good hind angulations. Moved with smooth effortless ground covering gait and true throughout. Presented in excellent condition. Excellent coat and tail. An easy winner in this class and a pleasure to award him **CC DOG**.

2nd Ch Fairspear Chicory (imp UK) – 3.5 yr old yellow male of very good type. Very good head that needs more fullness to muzzle. Plain expression. Very good topline and tailset. Upright front. Very good hind angulations. Moved true coming and going, restricted side gait. Presented out of coat

3rd Ch Laskelsa Dream Seeker – 4yr old slightly darker yellow of very good type. Good strong head and expression. Very good neck into very good forequarter. A little long so did not hold his topline on the move. Moderate hind angulation, lacking 2nd thigh. Could be stronger boned. Moved well round the ring and true coming and going. Present out of coat.

BABY PUPPY BITCH (7 exh)

1st Cladaghring Touch Ov Magic – 4.5mth yellow of excellent type. Lovley feminine head and expression. Correct angulations. Excellent neck, topline and tailset. Excellent coat. Moved well. Very close for Baby In Show

2nd Eraky Aqua Luna – 3.5mth darker yellow. Good head for age, but expression spoilt by roudn eye. Very good fore and hind angulations. Slightly sloping croup. Moved well for her age. Excellent coat. Carrying a bit of weight today.

3rd Bonnsway Pure Blonde – 5.5mth yellow of good type. Lovley head and expression. Excellent bone. Neck is a bit short. Lacks fore and hindquarter angulations. Topline soft on the move. Slightly low set tail. Lacks reach and drive, but true coming and going. Excellent coat.

MINOR PUPPY BITCH (5 exh)

1st Mikelli Satin N Silk – 6mth cream bitch of excellent type, who really impressed me as soon as she stepped in the ring. Excellent substance. Absolutely beautiful head and expression, she just melted me. Excellent neck into well laid back shoulders and correct return of upperarm. Good topline, but slightly low tail set. Correct hind angulation, with good thick hams and short hocks. Slightly long cast, but did not detract or affect the topline. This girl just floated round the ring, and true from every angle. Excellent coat and tail. An absolute pleasure to award her **Res CC, RUNNER UP AND MINOR IN SHOW**.

2nd Mikelli Secret Pattern – 6mth old black also of excellent type and was very close between her and 1st place. Beautiful head and expression. Excellent neck into shoulders, just not as well angled as 1st place. Slightly soft in topline on the move. Excellent tail set. Very good hindquarters. Also moved very well although slightly close behind. Excellent coat and tail.

3rd Scolouvalley Rumour Has It – 7mth yellow of very good type. Not the head of 1st and 2nd, but still a pleasant head. Upright front. Very good topline and tailset. Excellent hindquarter, short hocks. Restricted movement, but true coming and going. Very good coat.

PUPPY BITCH (2 exh)

1st Scolouvalley It's the Climb – 7mth yellow of very good type. Very good head and expression. Little short in neck. Upright front and pasterns. Stands slightly east west. Very good topline and tailset. Adequate hind angulations, with good short hocks. Moved well although restricted reach. True going, slightly narrow coming. Very good coat.

2nd Caherciveen Landas Nikki – 10mth old yellow. Nice head, but plain expression. Good neck into good front. Lacks hind angulations. Not the topline, tailset or movement of 1st place. Presented out of coat.

JUNIOR BITCH (6 exh)

1st Ch Bonnsway Special Time – 16mth yellow of very good type. Well boned. Strong head, but still feminine and would prefer a darker eye as spoiling the expression. Very thick through the neck. Good layback of shoulders, but not the return of upper arm. Slightly upright pasterns. Topline could be stronger, but this is not helped by the extra weight she is carrying. Very good tail set. Moderate hind angles, with lovely short hocks. Moved well round the ring, good going, but paddles slightly coming. Excellent coat and tail.

2nd Boomroomgai Talk Of The Town – 15mths. Head lacks stop and fullness to the muzzle, but still a pleasant expression. Lovely neck into well laid back shoulders, but short upper arm. Very good topline and tail set. Lacks hind angulation and width of thigh. Restricted movement and moves slightly close behind.

3rd Driftway Keeper Ov Secrets – 14mth black of very good type. Well boned. Strong head, but darker eye would improve expression. Very good neck, but slightly upright front. Very good topline and tail set, and good substance throughout. Slightly long cast. Excellent hind quarter with lovely thick hams and short hocks. Presented in excellent coat with excellent thick tail. Very unhappy on the move so did not exhibit on the move what you see in stance. A real shame as this lost her 2nd place.

INTERMEDIATE BITCH (10 exh)

1st Banderia Lady Josephine – 20mth old black of very good type. Very good strong head, but needs darker eye as spoiling expression. Very good neck into excellent front. Good topline and tailset. Very good hindquarter, with short hocks. Smooth ground covering gait and true coming and going. Excellent coat and tail. Unfortunately went very sour when competing for challenge

2nd Ch Scolouvalley In Her Shoes – 2yr old yellow. Good type presented in excellent coat. Very good head, but darker eye would improve expression. Lovely strong neck of good length. Upright front. Would like more spring of rib. Excellent topline and tail set. Excellent hindquarter. Used everything she has moving, but restricted reach. Good going, slightly narrow coming

3rd Ch Cladaghring Shez A Carkka – 2yr old yellow of lovely type. Pleasing head and expression that still needs to mature, and a slightly darker eye would be preferable. Good neck into well laid back shoulders and correct upper arm. Lacking spring of rib. Good topline and tail set. Moderate hind angulation. Needs more 2nd thigh. Smooth ground covering gait, true going, but moves very narrow coming. She looks high on leg as still needs to drop into herself. Presented in excellent coat.

AUST BRED BITCH (11 exh)

1st Pureplatnm Miss Indy – 2.5 yr old darker yellow of very good type. Very feminine head and expression. Excellent topline and tailset. Very good fore and hind angulations. Effortless movement and true coming and going. Would like more substance, but a quality bitch. Presented in excellent coat. **AUST BRED IN SHOW**

2nd Ch Southbank By Design – 3yr old yellow of lovely type. Very strong head and needs a darker eye as spoiling her expression. Very good forequarter. Good topline and tailset, but on occasions she kept losing her topline ever so slightly in stance. Good hindquarter angles, but would like to see more 2nd thigh. Moved effortlessly. Excellent coat and tail.

3rd Goldychocs Too Sweet CDX – 2.5yr old black of very good type. Good head and expression although would like to see more width of muzzle and slightly darker eye. Lovely neck into well laid back shoulders, but not the return of upper arm. Good topline, slightly low tail set. Excellent hind angulations. Did not move as well as 1st and 2nd, but true coming and going. Excellent coat and tail.

OPEN BITCH (8 exh)

1st Croftbrae Southern Belle – 22mth old yellow of beautiful type, presented in excellent condition and coat. Well boned. Beautiful head and expression, although slightly darker eye would be ideal. Excellent neck into well laid back shoulders, but slightly short upperarm. Excellent topline and tailset. Excellent hind angulations. Smooth effortless ground cover movement, and true from all directions. Beautifully balanced throughout. An absolute delight to award her **CC BITCH, BEST IN SHOW & OPEN IN SHOW.**

2nd Ch Kopafield Beez Neez – 4.5yr old yellow also of lovely type and also in excellent coat. Very good head that could just do with more width to the muzzle. Lovely soft feminine expression. Good neck into excellent front. Topline a little soft as she is carrying some weight. Excellent ribcage. Very good hindquarters. A little sluggish on the move, but still showed good reach and drive and true coming and going.

3rd Ch Copperkee Elektra – 3.5yr old black of very good type. Not the head of 1st and 2nd and needs a darker eye, but still a pleasant head. Very good neck into well laid back shoulders, but not the return of upperarm. Well boned. Slightly soft topline. Good tail set. Very good hindquarters. Lacked the reach & drive of 1st and 2nd. Excellent coat and tail.
