NOVEMBER JUDGES FOR THE CHAMPIONSHIP AND OPEN SHOWS TO BE ADVISED**

First of all, I want to say Thank you so much for the lovely entry. It's really nice to hear from the club, that it's a record, and I shall do my best to live up to this.

My first pedigree dog was a rough collie as we never showed because of erected ears, and after some years my husband came home and told about a Papillon he had seen by one of his colleagues in the Navy, and he was rather enthusiastic about this little dog,, so in 1977 we got the first Papillon, and have had the breed ever since – and enjoyed it.

We are still breeding a few litters, had one this year for the first time in 4 years, realized, that it may be was too long time since we had the last litter ☺. We are now only breeding Papillon, but have earlier also bred phalenes. I have from the Danish Kennel Club had the great honor to receive the Honor Pin in Gold from my breeding of Papillon.

The family, including 5 grandchildren in age 12 to 21, and the 4 Papillon we still have here takes the time, and I am enjoying judging around the world, and are looking very much forward to come to Melbourne in November and meet with the people and dogs there.

I have been judging Papillon almost worldwide I think, most countries in Europe and Scandinavia, Australia, Japan, New Zealand and Russia, as well as many other breeds. I have recently been judging at the European Dog Show in Geneva with a record entry of Griffons, so no doubt this hobby has taken me around, and I have enjoyed spending time judging the dogs and being with dog people around the world.

Looking forward to come to Melbourne in November

Kitty Sjong
